

**ARE YOU
SAVED?**

Have you heard God's voice lately?
Sensed his presence within you?
Felt his incredible love for you,
And heard him call your name?

No?

The only thing that stands in the way between you having that kind of relationship with God is one little thing...

SIN

Call it old fashioned, call it normal, whatever you say, it's the reason why you didn't answer YES to those questions above.

But you're not alone—in fact, every single human ever born has sinned (i.e. done what they know to be wrong). And it's because of these sins, that the God who created us, can't have the friendship with us he desires to have.

Why? Because he is Holy (pure, faultless) and well, we are not.

SO WHAT'S THE ANSWER?

There was no way God could let this be the end of the story. He loves us so much that he asked someone else to come and take the punishment for our sins .And who knows that when another person takes the rap for your mistakes, that makes you

FREE.

As if you had never sinned.
You get a new beginning, a new start, you become a

NEW PERSON.

This is your day for change. Jesus Christ has already taken your place on the cross and suffered your punishment. He is alive and he is real—call out to him and he will come to you and you will know his love, as you were always meant to.

But remember if you die while still holding on to your sin, you'll have to bear the punishment alone forever

IN HELL.

Ouch. Only a fool would do that.

Pray a prayer like this, then find a bible and get reading—your life will never be the same again.

Dear Lord Jesus, I know I am a sinner and need your forgiveness. I believe You died for my sins. I want to turn from my sins. I want you to come into my heart and life. I want to trust and follow you as my Lord and Saviour. In Jesus'
